

89435 PACK MOUNT

| NO. | DESCRIPTION | QTY. |
|-----|-----------------------|------|
| 1 | MOUNTING DISK | 1 |
| 2 | "T" KNOB | 1 |
| 3 | ¼" SELF TAPPING BOLTS | 4 |

Mounting Specific Instructions:

1. Using the ¼" Self Tapping Bolts provided, mount the Plastic Disk to any drillable surface you see fit for storing you Kolpin Fuel Pack(s).
2. Place the fuel pack onto the Plastic Mount as shown.
3. Twist the "T" Knob into the Plastic Mount. Tighten on to tank.
4. To remove the Fuel Pack simply turn the knob a quarter turn and slide the tank off of the Mount. To store, slide the Fuel Pack over the "T" Knob and onto the Plastic Mount. Turn clockwise until you here it "Snap" into place.

Mount to any drillable surface.
Possibilities are endless, boats,
ATV's, garage walls, campers, etc.

NOTE: TANK NOT INCLUDED
